# Speaking

## **Part 1: Social interaction, professional background: Studies / Research / Languages / Work / Future plans**

**In the first part of the exam you will be asked questions related to your professional background. Your examiner might ask you questions similar to the ones below.**

1. Where do you study?
2. What is your special field of study?
3. What languages do you speak? What languages do you need in your field ?
4. How can you use English in your studies?
5. Have you ever worked during the academic year or in the summer? If yes, what did you do and where?
6. Where would you like to work after graduation?

## **Part 2: Role plays**

**In the second part of the exam you are expected to act out the following two situations with the examiner.**

1. You have just finished a meeting with your foreign business partner (the examiner). It is 1 p.m. and the right time to have lunch. Invite him/her to a Hungarian restaurant.
  - say where to go
  - ask about his/her diet
  - recommend something to eat ( say what to eat)
  - recommend something to drink
  - say good-bye
2. You are the receptionist of Hotel Downtown in London and receiving a call from a potential customer (the examiner). Give information about
  - the types of rooms (single room is not available)
  - can it be a different date / different room?
  - you accept all the major credit cards
  - deposit is required
